

INVITATION ISCCM DAY CELEBRATION

8th & 9th OCTOBER 2022

Hotel Polo Towers, VIP Road, Agartala, Tripura

President's Message for ISCCM National Foundation Day

Dear friends,

Welcome to ISCCM day, the most prestigious day of celebration for Indian Society of Critical Care Medicine. The theme of this year's ISCCM day is "Save the Saviours". This year we are celebrating ISCCM day at Agartala, the capital of Tripura. Tripura is one of the seven sister states of northeast region of India.

The very purpose of this celebration is to spread the cause of ISCCM to farthest part of the country where critical care is fast growing area. This will also help us in connecting to northeast medical fraternity of Critical Care to the mainstream of ISCCM. We also intend to propose one northeast seat in ISCCM Executive Committee from next year.

We are inviting all ISCCM members, IMA members and all who have keen interest in critical care from seven sister states to participate in ISCCM Day celebration at Agartala. We are celebrating ISCCM day with scientific sessions free registration to all participants. Please join us at Agartala on 8th and 9th October 2022 and be a witness to the change.

We will also facilitate discounted/complimentary registration to the participants for upcoming CRITICARE 2023, Indore – 29th Annual conference of ISCCM.

Dr. Rajesh Chandra Mishra
President, ISCCM
