

OFFICIAL ISCCM ANTHEM

*Vigilant and strong, we care night and day.....
We are intensivists, fearless in every way
Passionate and compassionate, we stand tall
Guardians of life, we fight it all.....!*

*Teaching and training, bringing forth the light.....
Pumping a stopped heart, the heroes of real life
Blending science and healing, we always strive,
Facing challenges, we will make it thrive!*

Chorus

*we are I-S-C-C-M, our hearts ablaze,
In the darkest hours, we light the way,
We are the warriors, death we defeat,
With our sharp knowledge and skills, hoga hamari jeet.....*

- Bridge -

*Amidst Beeping monitors and ventilator chaos,
Deciphering code blues to strokes, we play on
With empathy, we heal and care to remission
We are Unstoppable, in our quest and mission*

Chorus 2

*O-o-o, ISCCM, you are our pride
May you shine, a beacon through time
We are the warriors, death we defeat,
With our sharp knowledge and skills, hoga hamari jeet.....*
