RE: 32nd Malaysian Dietitians' Association National Conference 2026

Dear Institutions/Industry Players,

With great pleasure, the Malaysian Dietitians' Association (MDA) Organising Committee would like to invite your esteemed organisation to participate in the **32nd Malaysian Dietitians' Association National Conference 2026 (MDA 2026)**, which will take place from **4–5 July 2026** at **The Vertical @ CCEC, Kuala Lumpur**.

The MDA 2026 is the premier professional gathering for dietitians and nutrition professionals in Malaysia, bringing together practitioners, academics, researchers, educators, policymakers, and industry partners. The conference serves as a key platform for the exchange of knowledge, professional development, and collaboration in advancing dietetics and nutrition practice within an increasingly dynamic healthcare environment.

Building on the strong success and positive momentum of previous MDA conferences, MDA 2026 will feature a robust scientific programme alongside an engaging industry exhibition. A range of enhanced and flexible sponsorship packages will be offered to provide meaningful and high-impact visibility for your products and services throughout the conference.

The conference is expected to attract a diverse group of dietitians, including those working in clinical and hospital settings, food service management, private practice, academia, research, public health, and consultancy. There is a growing enthusiasm among participants to explore innovative products and services that can positively impact patient care, institutional practices, and nutrition outcomes. Your organisation's participation would provide an excellent opportunity to engage directly with this highly targeted professional audience and expand your professional network.

We are confident that your involvement in MDA 2026 will be a rewarding and mutually beneficial experience, and we look forward to the opportunity to collaborate with your organisation in making this conference a meaningful and successful event.

On behalf of the MDA Council and the Organising Committee, we thank you for your continued support and look forward to welcoming you to **MDA 2026**.

Warm Regards,

Prof Dr Barakatun Nisak Mohd Yusof
President
Malaysian Dietitians' Association
