Note:

This Technical Visit is open to registered delegates on a first-come, first-served basis, as places are limited. Participation is subject to final confirmation by the Organising Committee. We will notify all confirmed participants via email once their participation has been confirmed.

The pickup point for the Technical Visit will be at the lobby of Imperial Hotel Kuching.

For your comfort and safety, participants are advised to wear smart casual attire and comfortable shoes.

Participants will be divided into two groups for the Technical Visit. Each group will visit both the Sarawak Infectious Disease Centre (SIDC) and the Sarawak Science Centre (SSCiEX) according to the designated schedule.
