WELCOME MESSAGE BY PRESIDENT OF INSTITUT KIMIA MALAYSIA (IKM)

On behalf of the Institut Kimia Malaysia (IKM), it is my great pleasure to welcome you to the 21st Asian Chemical Congress (21st ACC) 2027, taking place from 8–12 June 2027 at the Kuala Lumpur Convention Centre, Malaysia.

It is a great honour for Malaysia to host this prestigious congress, bringing together the chemical sciences community from across Asia and around the world. Under the theme "Driving Chemical Innovations for Sustainable Future," the Congress provides an outstanding platform for scientific exchange, knowledge sharing, and collaboration to address today's global challenges through chemistry and innovation.

As the national professional body representing chemists in Malaysia, IKM remains committed to advancing excellence in the chemical sciences while fostering strong partnerships between academia, industry, government, and the wider scientific community. We believe that collaboration across disciplines and borders is essential to developing innovative solutions that support sustainable development and improve lives.

I would like to express my sincere appreciation to the Federation of Asian Chemical Societies (FACS), the Organising Committee, our sponsors, partners, speakers, and delegates for their dedication and support in making this Congress possible.

I look forward to welcoming you to Kuala Lumpur and wish you a rewarding, inspiring, and memorable experience at the 21st Asian Chemical Congress 2027.

Warm regards,

Datuk ChM Dr Soon Ting Kueh
President
Institut Kimia Malaysia (IKM)

WELCOME TO MALAYSIA AND THE 21ST ASIAN CHEMICAL CONGRESS (21ST ACC) 2027

by Congress Chair, President-Elect (FACS)

We are pleased to invite your organisation to partner with the 21st Asian Chemical Congress (21st ACC) 2027, to be held from 8–12 June 2027 at the Kuala Lumpur Convention Centre (KLCC), Malaysia.

As Asia's premier gathering of chemists, scientists, researchers, industry leaders, and policymakers, the Congress provides a unique platform to showcase innovations, strengthen brand visibility, engage with key decision-makers, and build meaningful partnerships within the global chemical sciences community.

Guided by the theme "Driving Chemical Innovations for Sustainable Future", 21st ACC 2027 will bring together stakeholders committed to advancing sustainable solutions through chemistry and innovation.

We warmly invite you to join us as a sponsor and valued partner in making this landmark event a success while contributing to the advancement of chemistry for a sustainable future.

Warm regards,

Prof. ChM Dr Juan Joon Ching

Congress Chair

CO-ORGANISERS

Institut Kimia Malaysia (IKM)

Institut Kimia Malaysia (IKM), or the Malaysian Institute of Chemistry, is a statutory professional organization incorporated under the Chemists Act 1975 on 1st November 1977.

Federation of Asian Chemical Societies (FACS)

The Federation of Asian Chemical Societies (FACS) is a federation of 32 chemical societies of countries and territories in the Asia Pacific whose membership consists of individual qualified chemists. Individual chemists in the Asia Pacific may become individual members of the Federation.

The general objective of the Federation is to promote the advancement and appreciation of chemistry and the interests of professional chemists in the Asia Pacific.

Membership of the Federation is open to all not-for-profit chemical societies whose membership consists largely of individual qualified chemists and which are national professional chemical societies of countries and territories in the Asia Pacific. Individual membership is open to individual chemists from the Asia Pacific. Individual membership from countries and territories that have societies within the Federation will be restricted to individuals who are members of such a society.

VISIT MALAYSIA

Malaysia is a vibrant and multicultural destination where modern cityscapes blend seamlessly with rich heritage, diverse cultures, and breathtaking natural landscapes. Located in the heart of Southeast Asia, Malaysia offers visitors world-class infrastructure, excellent connectivity, and warm hospitality. From the iconic Petronas Twin Towers and bustling streets of Kuala Lumpur to pristine tropical islands, ancient rainforests, and UNESCO World Heritage cities such as George Town and Melaka, there is something for every traveller. Renowned for its culinary diversity, Malaysia presents a unique fusion of Malay, Chinese, Indian, and indigenous flavours. With its safe environment, affordable travel options, and welcoming people, Malaysia provides the perfect setting for international delegates to combine professional engagement with memorable cultural and leisure experiences.

CONGRESS VENUE

Kuala Lumpur Convention Centre is recognised as one of the best convention centres in Asia, strategically located in the heart of Kuala Lumpur. As a world-class international convention centre, we are the preferred venue for global events, trade shows, and conventions. Offering state-of-the-art facilities, exceptional services, and versatile event spaces, we are designed to host international exhibitions, conferences, and corporate events in Malaysia.

- Comply with all reasonable directions and guidelines from us as advised from time to time.

The **21st Asian Chemical Congress (21st ACC) 2027** brings together the chemistry community from across Asia and beyond for a dynamic exchange of knowledge, innovation, and collaboration in Kuala Lumpur, Malaysia. As one of the region's leading scientific gatherings, the congress serves as a platform to connect researchers, academicians, industry leaders, policymakers, and emerging professionals who are shaping the future of chemical sciences.

Held under the theme **"Driving Chemical Innovations for Sustainable Future"**, the congress highlights the growing role of chemistry in addressing global priorities through scientific advancement and responsible innovation. Discussions and presentations will explore how chemical sciences continue to contribute to sustainable solutions across healthcare, energy, environmental stewardship, advanced materials, agriculture, and emerging technologies.

Through keynote addresses, scientific presentations, interdisciplinary dialogue, and networking opportunities, delegates will gain valuable insights into current developments and future directions influencing the scientific landscape. The congress encourages knowledge exchange across sectors and promotes partnerships that support meaningful progress and long-term impact.

More than a scientific gathering, 21st ACC 2027 aims to foster connections, inspire new perspectives, and strengthen regional and international collaboration in advancing chemical sciences for future generations.
