* is not party to the 1949 Convention on Road Traffic, but recognises 1949 International Driving Permits.

** the provisions of the 1949 Convention were extended to this territory prior to Independence, but the now state has yet to confirm officially that it accepts these provision. However it does recognises 1949 International Driving Permits.

*** is not party to the 1949 Convention on Road Traffic, but recognises 1949 International Driving Permits. Certain formalities must be accomplished on arrival.

1. Certain Conditions or time restrictions apply.

2. For Private Vehicle only.

1949 International Driving Permits are valid for one year from their date of issue. However, the state in which the visitor is driving may limit the period during which an International Driving Permit is recognized for each visit of that state. In any case, the length of the visitor's stay is determined by the validity of his visa or authorized length of stay as a visitor.
