Highlights:

State-of-the-art lectures

Live Endoscopy - EUS, ERCP & Cholangioscopy

Hands-on Workshop

Advanced Imaging of Colorectal Polyps & EMR

GIA Workshop

FINAL ANNOUNCEMENT!

OUR DISTINGUISHED INTERNATIONAL FACULTY

DR. AMIT MAYDEO

Dr. Amit Maydeo is a Senior Consultant Gastroenterologist and Endoscopist with 25 years experience in clinical practice based in Breach Candy Hospital Trust, India. He is one of the pioneers of GI Endoscopy in India. He is also a Visiting Professor to PGI, Chandigarh and Harvard Medical School, Boston, USA. He is in the International Editorial Board for Journal of the American Society for GI Endoscopy. He was Awarded Padmashri by President of India in 2013 for his contributions to the fields of medicine and medical education.

A/PROF IAN YUSOFF

Dr Ian Yusoff is a Senior Consultant Gastroenterologist with subspecialty interests in pancreaticobiliary diseases. Procedurally, his main interests are in endoscopic ultrasound and pancreaticobiliary endoscopy. He has a public appointment at Sir Charles Gairdner Hospital and an adjunct appointment at The University of Western Australia as Clinical Associate Professor of Medicine. He is currently on a number of national advisory committees.

A/PROF BENEDICT DEVEREAUX

Dr. Benedict Devereaux completed fellowships in endoscopic retrograde cholangiopancreatography (ERCP) and endoscopic ultrasound (EUS) at Indiana University Medical Center in Indianapolis, Indiana, USA between 1999 and 2001. On returning to Australia in 2001, Ben accepted a position at the Royal Brisbane and Women's Hospital where he is now a Senior Consultant Gastroenterologist performing and teaching advanced endoscopy, in particular ERCP and EUS. Ben is a frequent invited speaker at national and international scientific meetings.

PROF. RUNGSUN RERKNIMITR

Dr. Rungsun Rerknimitr is currently the general secretary of GI Endoscopy Excellence Center at Chulalongkorn University. His current academic position is as Professor of Medicine. He is also a founding member of the Thai Association of Gastrointestinal Endoscopy and also a past chief editor of the Thai Journal of Gastroenterology. His main endoscopic interest is therapeutic ERCP for hepatobiliary system and pancreas with a special interest in metallic stent clinical application.

A/PROF CHRISTOPHER KHOR

Dr. Christopher Khor is the Head, Senior Consultant and Director of Endoscopy Centre at Singapore General Hospital, Singapore. His main practice areas are in pancreato-biliary disease (ERCP and EUS), endoscopic resection and general gastroenterology. Dr Khor has a keen interest in endoscopic quality and education, and in promoting cross-border co-operation among the regional endoscopy community. He has published more than 20 peer-reviewed papers, serves on the editorial board of Endoscopy, and is a reviewer for a number of other endoscopy and GI journals.
