Jai Jagannath..

The state of Odisha is well known for her rich heritage, stunning full with ancient temples. Please stay here and do visit our famous Dhauligiri and River Daya which represent the historical Kalinga war that changed the dreaded king Ashok from Chandashoka to Dharmashoka. The Sun temple and temple of Lord Jagannath of Puri represent our magnificent history.

In a very pleasant environment and among the galaxy of learned people we plan to conduct a conference which will remain as one of your sweet memories.

Thanking you and waiting for you
