

CV : DR. JUSTIN CURRAN

Bachelor of Medicine - University of Dublin, Ireland 2002: MB, B.Ch, B.A.O.

Fellow of the Australasian Society for Emergency Medicine 2012: FACEM

Consultant Emergency Physician with Western Health, Melbourne since February 2013

I am delighted to be invited to speak at the 25th Penang Teaching Conference for General Practitioners.

Dr. Justin is an adult emergency physician working at a Melbourne metro hospital that sees 250 presentations per day.

His consultant portfolio includes:

Peer support roles and to coordinate a mentoring program for the trainees and act as the consultant liaison for the junior doctor representatives.

He is actively involved in providing education to the primary and fellowship exam candidates and acts as the departmental liaison with the cardiology and medical imaging units.

As a member of the Hospital's Quality Improvement team, he is responsible for departmental KPIs, and the translation of lessons learnt from morbidity and mortality reviews, into clinical practice changes that improve patient safety.

A recent departmental audit of CT thoracic angiogram requests has been included in an Emergency Medicine Australasia publication "What can be done to improve the diagnosis of Aortic Dissection".

(<http://doi.org/10.1111/1742-6723.14127> EMA November 2022)

Dr. Justin has presented numerous papers and has spoken at both local and international conferences.
