

DR. FOONG BOON BEE

Dr. Henry Foong Boon Bee is a senior consultant dermatologist at Foong Skin Specialist Clinic, Ipoh, Malaysia and a visiting consultant at the Pantai Hospital Ipoh. He is the Founding Chairman of the Dermatology Chapter, College of Physicians of Malaysia and the Past President of Dermatological Society of Malaysia. He is also a board member of the NSR Dermatology Specialty Evaluation Subcommittee of the Malaysian Medical Council.

He graduated with an MBBS degree from the University of Malaya, Kuala Lumpur. His internal medicine and dermatology training was received at the University Hospital, Kuala Lumpur and at the Department of Dermatology, Hospital Kuala Lumpur, Kuala Lumpur. He also had further clinical training at St. Thomas Hospital, London and a short preceptorship training in laser surgery at Skincare Physicians of Chestnut Hill in Boston. Dr Henry Foong was elected as a Fellow of the Royal College of Physicians of Edinburgh and a Fellow of the Academy of Medicine of Malaysia. He is NSR certified in Dermatology and Internal Medicine.

He has given many lectures in dermatology nationally and internationally and has several publications in both local and international peer-reviewed medical journals. He has been the scientific and organising chairman for annual meetings of the national dermatology society. He has also been a Board member of the League of Asean Dermatological Societies and the Asian Academy of Dermatology and Venereology. He was a member of the Editorial Board for the International Journal of Dermatology for several years and has been the Chief Editor for the Malaysian Journal of Dermatology. He was the Past Examiner for the Advanced Master of Dermatology (UKM) and the LCP in Aesthetic Medicine. His main interests are inflammatory skin diseases, laser surgery, and medical education.
