Dr Vijaya B Ramasamy
MBChB (Dundee), MRCP (UK),
SCE Nephrology (UK), CCT (UK), FRCP (London)

I am a Consultant Nephrologist and Physician in Lam Wah Ee Hospital (LWEH), Penang since my relocation back to Malaysia in August 2018. I am also the current lead for medical mortality and morbidity at LWEH.

Prior to the current appointment, I was a Consultant Nephrologist and Physician at the Wrexham Maelor Hospital (WMH), UK since 2015.

Having qualified from University of Dundee with Bachelors of Medicine and Surgery (MBChB) in 2006, I completed my internship in Dundee, UK before taking up medical resident post at Cardiff, UK in 2008.

I completed my MRCP and subsequently undertook specialist training in Nephrology and Internal Medicine at University Hospital of Wales, Cardiff and WMH between 2010 and 2015.

I passed the Specialist Certificate Examination in Renal Medicine in 2013 (SCE Nephrology) and obtained Certificate of Completion of Training (CCT) in Nephrology and Internal Medicine in 2015. I was entered onto the GMC UK Specialist Register for Nephrology and General Internal Medicine in 2015 and still remain in the register as a specialist in the UK.

I am also registered with the Malaysian National Specialist Register (NSR) for both Nephrology & Internal Medicine.

My subspecialty interest includes hypertension, acute kidney injury (AKI), interventional nephrology / vascular access and transplantation, with active involvement in quality improvement projects and research in these fields.
