Poultry Asia, Meat Asia and Pet Asia Expo 2023 - Day 2

The 2nd day show kicked off with a workshop - "Feed Formulation Managing Costs" conducted by WPSA.

The organiser are thankful to Y.S.P. Industries for leading a group of Taiwan poultry and pig farms to visit the show. We had also invited group delegation from India, Myanmar Livestock Federation, and Cambodia Livestock Raisers Association.

Here's what our visitors say.

The Poultry Asia show is fantastic and well organized. We manage to meet with the new and existing suppliers and customers.

Market Opportunities For Meat and Poultry

The thriving meat and poultry sectors in ASEAN and Malaysia offers immense growth potential and opportunities for industry players in the marketplace.

**MEAT & POULTRY**

- Surge in meat consumption due to changing dietary preference and growing population
- Growing demand for diverse meat products, healthy and organic options
- Affordable protein options compared to seafood products
- Asean's expected revenue in the Meat and Poultry segment for 2023: US\$ 92 billion
- Annual growth rate (CAGR 2023-2027): 9.2%
