Talbro's Automotive Components Limited Business Updates

In continuation to its drive for Accelerating Momentum led by expansion in product basket and reaching new geographies, Talbro's Automotive Components Limited (TACL) along with its 3 Joint Venture Companies is also relentlessly pursuing its vision of seamlessly integrating with customers supplies chain with a focus on enhancing product content per vehicle through its consolidated businesses.

- Recently, TACL Gasket Division has received orders from Kubota, Japan for direct supplies to their engine plant at Thailand. The supplies will commence from early 2017. Further, order bookings have commenced from agriculture and automotive OEMs, the supplies for this segment have already commenced. Also, business development efforts are being made with OEMs in the Middle East and Europe for future growth.
- Sanwa Packaging of Japan, our technical partner is supporting to develop heat shields for the passenger and commercial vehicles as this product is expected to gain traction with the implementation of Bharat Stage VI by 2020 to control the Noise, Vibration and Heat (NVH) emission levels. TACL has won business from Volvo Eicher, the supplies will commence from January 2017. Also, we are in advance talks with leading Indian OEM's to localise their heat shield requirements.
- Talbro's Marugo Rubber Private Limited (TMR) a JV of TACL has added Kneader and Mixing Mill line in July 2016 resulting in increased mixing capacity from 650 tons/ annum to 1300 tons/ annum and has also added 3 new Injection moulding machines in FY 2016-17. The production capacity addition will result in incremental sales from November 2016.
- Magneti Marelli Talbro's Chassis Systems Private Limited (MMT) a JV of TACL has been supplying to MSIL for its models - Brezza, Baleno and S Cross as a single source with monthly volume of Approx 28,000 cars. The components are also used by MSIL for its Baleno model for the export markets.
- TMR has received the TS – 16949 (Quality Standards) certification for its Hoses division. The JV has also won business from MSIL for its YSD model – New Swift, from Honda Cars India for TSVA model and from Isuzu India for RU30 model.
- The Gasket Division has been recently awarded the best supplier awards from Kirloksar Oil Engines Ltd., General Motors and Bajaj Auto Limited. This is the 4th consecutive year that TACL has received the award from General Motors and Bajaj Auto Ltd.
