Talbros Automotive Components Limited
Commencement Operations of New Dedicated Heat-Shield Line

Talbros Automotive Components Ltd., an integrated player in the automotive components industry today commenced operations at its new dedicated Heat-Shield line at our Faridabad, Haryana plant.

The new line will support in catering to larger orders in the coming financial year. The division has reputed clients such as Volvo Eitcher India and Volvo in US. Currently the production requirement for Heat-Shield is being catered to by the existing Gaskets plant at Faridabad.
