Dear Madam / Sir,

On behalf of the **Malaysian Veterinary Medical Association, MAVMA** (formerly known as Veterinary Association Malaysia, VAM), we would like to apply HRDF Claimable for our upcoming congress, the **32<sup>nd</sup> MAVMA Congress 2022**. This congress will be held for 1 and a half day from **15 July to 16 July 2022** physically at **Dorsett Grand Subang**.

After the 2 years hiatus caused by the pandemic, we are pleased to announce the first congress held under our new association's name, after it was approved by the Registry of Societies (ROS) in January 2021. Given the focus on the post-COVID19 pandemic, our local and international plenary speakers will discuss on zoonotic disease surveillance, COVID vaccine development and transboundary disease control. In addition, 32nd MAVMA Congress 2022 will share the perspectives and breakthroughs within the veterinary community. With the theme "**Covid-19: Reshaping the Future of the Veterinary Profession and Industry**", this upcoming congress will serve and provide valuable current information to propel us to the next level of veterinary medicine and services in this COVID-19 pandemic situation.

The Organising Committee has worked hard to put together a compelling and effective scientific programme, along with specifically designed knowledge exchange sessions and networking opportunities with the industry experts. We are confident that with this platform, we will be able to reshape the future of the veterinary profession and industry in the direction of adaptability and resilience.

Kindly find attached the following documents for your perusal.

1. MAVMA Congress Flyer / First Announcement
2. Tentative Programme
3. Speaker Profile

If you require further information, please contact secretariat, Qian Ni at +6011-16301491 or [congress@mavma.org.my](mailto:congress@mavma.org.my).

Thank you.

Yours faithfully,

Dr. Helen Mitin
